about

Hi, I'm Angelou, I grew up singing every love song I could get my hands on, Whitney Houston, Beyoncé, Aretha Franklin, 70s and 80s classics, belted out at every family party, the way a lot of Filipino households do. That's where it started. It grew into deeper R&B and soul at school talent shows, open mic nights, festivals, and eventually into singing at events and weddings.

I'm based in London, singing R&B, soul and jazz for weddings and events & available to travel internationally.

My style draws from artists like Whitney Houston, Beyoncé, Snoh Aalegra, and Chaka Khan — soulful and live, whether it's an intimate ceremony or a full dancefloor.

Weddings: ceremony, drinks reception, first dance, evening entertainment

Events: corporate functions, private parties, live sets with band or backing tracks

I show up prepared, listen to what you want, and care about getting the details right ❤️

Reviews

"We wanted something special for a milestone birthday and she completely delivered. Warm, professional, and the perfect mix of songs for the whole evening"

– Petter & Shivani

"From the ceremony to our first dance, everything felt exactly right. She learned our first dance song perfectly and read the room all evening — guests were still talking about her voice the next day. We wil forever remember those moments."

– Jenny & Adam

Booking Process

(01) Enquire

Fill out my [online enquiry form] with a few details about your day — whether that's a wedding, birthday, or event — and I'll get back to you as soon as I can.

(02) Quote

I'll send a tailored quote within 2–3 working days of your enquiry. If you'd like a call beforehand to talk things through, just let me know and we'll arrange one at a time that suits you.

(03) Secure Your Date

Happy to go ahead? I'll send an invoice for your deposit, along with a performance agreement for us both to sign. Once I've received your signed agreement and deposit, your date is secure. Please note I'm unable to hold dates without this, so do let me know if there's likely to be any delay.

(04) Planning & The Day

Closer to your date, we'll arrange a video call to go through your exact requirements. Beforehand, I'll send over my song list so you can shortlist anything you'd like included in your set. This call usually takes place around 2 months before your event — so don't worry if you don't hear from me for a little while in between, I'm always reachable if you have questions.

Final payment is due 30 days before your event (90 days for destination weddings).

Songlist

Below you will see the link to my Spotify playlist, this includes all songs currently on my song list. I update this list regularly.

My Songlist Playlist ([click here](#)).

Requests

Want a specific song that's not already on my song list — for your ceremony, first dance, or a moment during your event? I'm happy to take requests, up to two per booking.

If the song isn't available as a ready-made backing track, I'll need to source a custom one through an external provider. This currently costs £35 per track, charged at cost.
